SUBJECT No. 87.

Reduction of charges for electric lights in private houses in the Mysore City Municipality.

Messrs. E. Purushothamanandagiri Goasai, P. S. Anantha Rao, Mahomad Sait and Y. Virupakshapia, Mysore City Municipality.

Summary of Representation.—Charges for electric lights in private houses in the Mysore City Municipality may be recovered according to energy actually consumed, as the present prescribed minimum is very high.

SUBJECT No. 88.

Construction of a new building for the use of A.-V. School at Hunsur.

Mr. H. V. Hanumantha Setty, Hunsur Taluk.

Summary of Representation.—A spacious building may be ordered to be constructed at Hunsur for the use of A.-V. School, the present one being incommodious.

SUBJECT No. 89.

Diverting water from Addahalla at Navalur to certain tanks in the Hunsur Taluk.

Mr. Raza Ali Saheb, Hunsur Taluk.

Summary of Representation.—Irrigation facilities may be created in the Hunsur Taluk by diverting water from Addahalla which forms the boundary of Navalur village through a channel to any of the following tanks—namely, Manchidevikere, Adabidu tank, Gundlupet tank or Navalur tank as may be found feasible after survey. This work will tend to the improvement of several villages. As the work can be financed from the contribution leviable from lands that will be benefited thereby, the financial aspect of the work need not stand in the way.

SUBJECT No. 90.

Construction of a bridge across Vadli Stream, Hunsur Taluk.

Mr. Raza Ali Saheb, Hunsur Taluk.

Summary of Representation.—The construction of a bridge across Vadli Stream in Hassan-Bettadapur road may be taken on hand at once. The project was approved by the District Board and kept by owing to the prohibitive cost of iron. As iron is now cheap, the work may be ordered to be put on hand.

SUBJECT No. 91.

Allotment of a suitable sum for the sanitary improvement of Seringapatam.

Mr. V. Rangaswamy Iyengar, Seringapatam Taluk.

Summary of Representation.—The promised sanitary, improvements and watersupply to Seringapatam Town by Government in their Order No. 5040-3—Ml. 47-15-15, dated 5th February 1917, has not been given effect to and the historic place of importance has thus been very much neglected. The Government may be pleased to accord early sanction to an annual grant of Rs. 5,000 at least, for sanitary improvements, etc., for ten years to come.

SUBJECT No. 92.

Improvements to and repairs of irrigation works in the Nagamangala Taluk.

Mr. Gangappa, Nagamangala Taluk.

Summary of Representation.—The improvements to or repair of, irrigation works in the Nagamangala Taluk may be taken up, at the rate of at least two works in a year, to prevent the dry taluk from being depopulated, to create facilities for the inhabitants, and to induce them to stop in their place instead of going to Nilgiris and other places in search of livelihood.
